Dear sir,

I hope this letter finds you well. My name is **Deepika Gupta**, I am currently a first-year student (sem-4) at KR Mangalam University pursuing **BTech CSE AI/ML**. **I am writing to express my interest in an internship position at your company.**

As part of my academic program, it is compulsory for students to undertake an internship to gain practical experience in our field of study.

Throughout my academic journey, I have studied the following languages and software- **Python, SQL, HTML, Power BI and tableau**, and I have completed coursework in **Data analytics and web development**. I am confident that an internship at your Company would not only fulfill my academic requirements but also provide me with valuable hands-on experience that would contribute significantly to my professional growth.

I am particularly excited about the prospect of working in a dynamic environment that allows me to explore **data analytics, front-end development, and software engineering**. I believe this internship will provide valuable hands-on experience, allowing me to work on real-world challenges while continuously learning and improving my technical and analytical skills.

I have attached my resume and academic transcripts for your review. I would appreciate the opportunity to discuss how my background aligns with the needs of your organization. Thank you for your time and consideration. I look forward to the possibility of contributing to your team. Please feel free to reach out if any additional information is required.

Some of my certificates have been attached below, Thank you for your time and consideration.

Sincerely,
Deepika Gupta
